

Week commencing 27th March

F2 Home School Diary

Wow what an exciting and busy week. We have continued with our story 'Oliver's Vegetables' and have talked about how vegetables grow. We made a list of instructions telling Oliver how to plant some seeds.

In Maths we have continued working on number 10. We have been adding sets up to 10 and writing the number sentences to go with it.

We really enjoyed doing our Easter Bonnet parade on Wednesday, we hope you enjoyed it too.

We have been looking at the work of Henri Matisse and made our own animal pictures using different shapes.

On Friday we had our Easter egg hunt, we also met the Easter bunny- that was so exciting!

We hope you have a lovely Easter holiday and look forward to seeing you on the Tuesday 18th April.
