

Week beginning 27<sup>th</sup> March 2023

# This week in FI...

This week in FI we have been continuing to learn all about the story 'The Very Hungry Caterpillar'.

In Maths we have been learning all about weight and length. We have also been learning numbers 1-5 and matching the numerals to amounts.

In Literacy we have been doing some story writing. We have been re-writing the story of The Very Hungry Caterpillar. The children also worked very hard to create their own little booklet.

We have been learning all about healthy foods and have discussed different fruits and vegetables and talked about how and where they grow.

The children also enjoyed acting out the story and the life cycle of a butterfly.

On Friday the children had lots of fun on our Easter Hunt around the school. We were looking for the Easter Bunny! Once we found the Easter Bunny the children were super excited as the Bunny had brought all of the children an Easter egg!
