

Week beginning 24th April 2023

This week in FI...

This week in FI we have continued learning all about farms. We have read the stories 'Higgly Hen' and 'Cuddly Cow'.

On Tuesday, the children looked at the different farm animals and we talked about the names for the baby animals.

For our 'I Wonder Wednesday' this week we made a delicious vegetable soup. We discussed the ingredients and the method of making the soup.

On Thursday the children wrote a recipe for vegetable soup. We recapped on how we had made our soup.

On Friday we talked about what we might see on a farm such as animals and tractors, then the children drew a map.

The children have also enjoyed vegetable printing in our creative area and making patterns. In the water area the children were washing all of the farm animals and in the mud kitchen the children have been practising to chop vegetables.

In Maths the children have been creating patterns using different farm animals. We talked about how a pattern is repeating. We have also been talking about capacity. We used potatoes to fill different sized containers and talked about how many each container could hold.
