

Week beginning 1st May 2023

This week in F1...

This week in F1 we have continued learning all about farms. We have been focusing on the story 'The Little Red Hen'.

On Tuesday, we made toast for our snack and practised buttering the toast ourselves. We read the story 'The Little Red Hen'. We discussed how the animals in the story could have been more helpful.

For our 'I Wonder Wednesday' this week we had our Farm Day. The children enjoyed coming to school dressed as farmers. The children had lots of fun playing in both the F1 and F2 outside areas. Some of the activities set up included mud painting, tractor building and egg hunting.

On Thursday the children were discussing different vegetables and where they grow. We talked about if the vegetables grow underground or over ground. In our creative area the children made some lovely hen paintings. Outside the children were making birds nests using mud and straw.

On Friday we celebrated the King's Coronation. We had lots of fun activities set up for the occasion. Outside the children made a coach for the King in our construction area. In the home corner the children were having a royal tea party. On the creative table we made a collage of the British flag.

In Maths the children have been discussing heavy and light. We have been looking at different objects and sorting them into heavy and light.
