

Week commencing 1st May 2023

F2 Home School Diary

It's been a short but exciting week, we were so excited to see the arrival of our baby chicks, they are so cute and fluffy and we are enjoying looking after them.

We have also carried on with our story of the Three Billy Goat's Gruff. We have been acting out the story and writing simple sentences about it.

In Maths we have been looking at number bonds to ten and learning about odd and even numbers.

On Wednesday we had great fun at our Farm day, we really enjoyed dressing up as farmers!

We have also been learning about the coronation of King Charles, we have made crowns and flags. It was great dressing up in red, white and blue today.

This week's challenge -
can you see any odd and even numbers around your house?
