

Week beginning 8th May 2023

This week in F1...

This week in F1 we have continued learning all about the story 'The Little Red Hen'.

On Tuesday we looked at how flour is made. We talked about how it first grows as wheat in the farmers field and then has to be taken to a mill to be ground.

For our 'I Wonder Wednesday' this week we had a special visit from The Purple Pig farm. The children were super excited to see all of the different farm animals that we have been learning about. We also made our own bread. We talked about the ingredients and made the dough. We also made our own butter to go with our bread. It was very tasty!

For our 'Think about it Thursday' we were talking all about hand washing. We discussed why we need to wash our hands and how we wash our hands properly.

On Friday the children were discussing the differences between a town and a countryside.

In Maths this week we have been practising our counting by counting out objects. We have tried remembering the number that we have counted to when asked "how many" without having to count the objects again.
