

Week commencing 8th May 2023

F2 Home School Diary

This week we started our new story 'The Enormous Turnip', we have enjoyed acting out the story and have created our own story maps. We have also labelled the characters in the story.

In Maths we have been working with numbers beyond 10 and looking at place value. We have also been investigating heavy and light things.

We have enjoyed looking after our chicks this week and watching them grow bigger, they are so cute! On Wednesday we enjoyed a visit from Purple Pig, we loved stroking all the animals. We have been comparing the animals that live on a farm with other animals around the world for example animals found in a forest or jungle.

This week's challenge - can you draw a picture of your favourite farm animal and describe it.
