

Week beginning 15th May 2023

This week in FI...

This week in FI we have continued learning all about farms. We have been focusing on the story 'What the Ladybird Heard'.

On Tuesday, we made toast for our snack and practised buttering the toast ourselves and cutting it in half.

For our 'I Wonder Wednesday' this week we had a special visit from one of our local PCSO's. The PCSO told us all about her job. We were also very excited to see her police car with the flashing lights on and we got to sit inside too!

For our 'Think about it Thursday' this week we were thinking all about 'doing the right thing' and how we do not take things that do not belong to us.

In Maths this week we have been matching arrays to numerals using real objects, array cards and numeral cards. We have been matching numbers in a game of ladybird dominoes. We have also been practising our cutting skills and cutting out and counting out spots to stick on a ladybird.
