

Week beginning 21st May 2023

This week in F1...

This week in F1 we have continued learning all about the story 'What the Ladybird Heard'.

In Maths this week we have continued matching arrays to numerals using real objects, array cards and numeral cards. We have also practised counting up to the number 10.

The children have enjoyed painting pictures of cows in our creative area. We talked about the features that cows have.

On Tuesday, we made toast for our snack and practised buttering the toast ourselves and cutting it in half. The children are getting much more independent when making their toast.

For our 'I wonder Wednesday' this week the children were designing their own traps to catch the 'baddies' from the story.

On Thursday we had our Rock star/Popstar day. The children had lots of fun coming to school dressed up and putting on their own 'shows' outside.
