

Week commencing 12<sup>th</sup> June 2023

## F2 Home School Diary

This week we have continued with our story of the 'Handa's Surprise'. We have been learning some signifiers for the story. We have also been writing lists of our favourite fruits.

In maths we have recapped doubles and halves. We have also been subtracting numbers and solving simple number problems.

In our topic work we have been making fruit salads and we discussed which are healthy foods and which are not. We have also found out how and where some fruits grow.

This weeks challenge - what numbers can you find in your house? Can you take 1 away and make it 1 less?

Next Wednesday is our Sports Day at 9.30, we have been doing lots of practise and we hope you can come and watch us.
