

Week beginning 3rd July 2023

This week in F1...

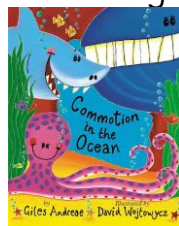

This week we have continued learning all about the story 'Commotion in the Ocean' by Giles Andreae.

In Maths this week the children have been working hard and have been practising 'maths mark making'. They had to record numbers by making marks on paper for each number.

In Literacy we have been looking at the initial letter sounds in words. We have been playing 'I Spy' and talking about the initial letter sounds of the different sea animals.

For our 'I Wonder Wednesday' this week we did some baking. The children did a fantastic job making some 'Sandy Buns'. We talked about the ingredients and what method we had to use to bake the buns. We then decorated the buns with the sea (blue icing) and the sand (crushed biscuit).

On Thursday we had our 'Seaside Day'. We had lots of fun playing in F2's outside area where there were lots of different seaside themed activities set up. We also had a treat in the afternoon as the ice-cream van came to our school! The children enjoyed going to the ice-cream van and getting an ice-cream. They were delicious!
