

Week beginning 10th July 2023

This week in F1...

This week we have continued learning all about our topic 'Under the Sea'. In the creative area the children have enjoyed making mermaid crowns and painting sea creatures. The children have also enjoyed exploring the different seashells and stones in our playdough and STEM area.

In Maths the children have been recapping positional language, ABAB patterns, comparing different sizes and Maths mark making.

The children have been working hard in their phonics sessions and have been learning the different letter sounds.

On Tuesday we had a special treat and went to the hall to watch the F2's perform their 'Fabulous Finish'. We thought it was amazing!

On Friday we had our 'Celebration Ceremony'. We had a lovely morning celebrating of all our children. Thank you to all of you who were able to attend, we hoped you enjoyed it.
