

Week beginning 4<sup>th</sup> September 2023

## This week in Fl...

It's been a great first week back for the children. They have settled back down to our usual routines with ease and very few tears, which has been fabulous.

We have recapped on our Golden Rules, which the children are generally very respectful of, used positional language in our play, thought about how we read books and enjoyed seeing each other once again and sharing our holiday news.

We have all enjoyed our next text, Guess How Much I Love You. What is your favourite story to read at home? Please send in a photo of you reading it together over the weekend. Thank you.
