

Week beginning 11th September 2023

This week in Fl...

We have had another lovely week this week in Fl.
We have enjoyed welcoming our new children.

The children have been learning each other's names during our circle time and we have discussed our 'Golden Rules'. The children have enjoyed playing together and exploring all the different areas in our classroom.

The children have also helped to tidy away after we have finished playing and have been learning where things belong.

We have been reading the story 'Guess How Much I Love You'. The children have been helping to tell the story using actions. We have discussed 'big and small' and how we grow for being a baby to an adult.

The children have also been learning about mixing colours to create new colours. This week we mixed the red and white paint to create different shades of pink. The children created some lovely artwork to go on display in our classroom.
