

Week beginning 16th October 2023

This week in F1...

We have had another lovely weekend in F1. We have re-capped the story 'Titch'. We discussed the story and talked about different sized objects from the story.

On Tuesday it was our 'Hull Fair' day. We had lots of fun outside taking part in the different Hull Fair activities such as 'Tin Can Alley' and 'Hook a Duck'. The children also did some fingerprint painting to create some Hull Fair paintings. For our snack, the children got to taste some brandy snap from Hull Fair.

For our 'Think about it Thursday' this week we had our Autumn Day. The children came to school dressed in Autumn colours. We talked about Autumn and what it means. Outside the children enjoyed going on an Autumn hunt. We looked to find any signs of Autumn.
