

Week beginning 23rd October 2023

# This week in F1...

This week in F1 we have been reading the story Owl Babies. The children have been practising signing some key words from the story.

In Maths we have been focusing on size, ordering objects from smallest to largest and matching sizes together. We have also been singing the song '5 little monkeys sitting in a tree'.

On Monday, the children painted some Owl paintings. Outside, the children were using their balancing skills on the balance bar.

On Tuesday, the children made a beautiful Autumn collage. The children mixed the colours red and yellow to create orange. We talked about the different Autumn colours.

On Wednesday, the children went to hunt for clues in our outside area to find 'Mummy Owl' from our story.

On Thursday we went on an Autumn walk around the school field. We took our magnifying glasses and binoculars to help us look for signs of Autumn.

On Friday, we looked at some musical instruments. We created Autumn sounds such as the leaves crunching, the conkers falling and the sound of rain.
