

Week beginning 8<sup>th</sup> January 2024

## This week in Fl...

We have had a lovely first week back at school. The children have enjoyed sharing their Christmas news and what they have been up to during the holidays.

This week we have been learning all about Winter. We have talked about what happens in Winter and how the seasons change.

We have been reading the story 'One Snowy Night' by Nick Butterworth. The children have enjoyed acting out the story in the home corner with the animals in the bed.

In the water area the children have had fun exploring ice. We froze some of the toys and the children have been thinking of ways to get the toys out. We talked about how ice feels and how it melts when it gets warmer.

In the creative area the children have been writing secret messages. We used white crayons to write and then painted over with different shades of blue.
