

Week commencing 29th January 2024

This week in FI...

This week in FI we have continued reading the story 'This is Our House' by Michael Rosen. We have discussed the different characters in the story and talked about how it is important to be kind.

We have been learning about different styles of houses such as detached, semi-detached, terraced, flats and bungalows. The children enjoyed going on a walk around the school grounds with their binoculars and magnifying glasses to see which types of houses they could spot.

In Math's, this week we have been re-capping the shape names. We have enjoyed playing matching pairs with the shapes.

In Literacy, we have been practicing with our word counting and syllable counting.

In the creative and playdough area the children have had fun making houses. Some children painted pictures of houses and some children made some houses using the junk modelling.
