

Week beginning 5th February 2024

This week in FI...

This week in FI we have continued reading the story 'This is Our House'. The children discussed what their houses looked like and have been drawing maps of how to get to their house.

In Maths this week we have been learning about positional language. We have been practising to speak in full sentences such as 'The boy is in front of the table'.

In Literacy this week we have continued counting words and syllables.

On Friday, the children celebrated the Chinese New Year. We talked about Chinese New Year and looked at the different animals. The children enjoyed trying prawn crackers for their snack and playing in the playdough area with the chopsticks and rice.
