

Week beginning 26th February 2024

This week in FI...

This week in FI we have continued with our story 'We're going on a Bear Hunt'. The children enjoyed looking at the photographs and sharing about taking their bears on a walk.

We have enjoyed learning about the different parts of the story each day.

On Monday, we wore green to represent the grass. In the creative area the children were mixing blue and yellow paint to create different shades of green.

On Tuesday, we learned all about rivers. The children created their own rivers in our water tray using the guttering to transport the water to another tray.

For our 'I Wonder Wednesday' this week we had lots of fun making 'bear' biscuits. We used positional language when placing the facial features on the bear.

On Thursday, the children made their own paint brushes in the creative area using different sized sticks, plants and herbs. The children then had fun using their paint brushes outside to do some mud painting.

On Friday, it was our Snow day. Outside, the children explored the tuff tray which was filled with shaving foam. The children enjoyed mark making with their fingers.
