

Week beginning 8<sup>th</sup> April 2024

# This week in FI...

We have had a lovely first week back at school. We have been learning all about the story 'The Very Hungry Caterpillar'.

On Tuesday, the children were making Caterpillar paintings in the creative area. We talked about what colours to use and the different features a caterpillar has.

For our 'I Wonder Wednesday' we were excited to see that we have some new pets in our class! We have some very tiny, baby caterpillars. The children are excited to see them grow bigger and in a few weeks we will see them turn into butterflies.

On Thursday, the children drew some lovely caterpillar pictures. We were looking at 'long' and 'short' so they drew a short caterpillar and a long caterpillar and then practiced their cutting skills and cut out their pictures.

On Friday, we looked at the life cycle of a caterpillar. The children thought carefully about what happens in the story and then drew the life cycle.
