

Week beginning 15th April 2024

This week in FI...

This week in FI we have welcomed our new friends that have started in our class.

We have continued learning all about the story-The Very Hungry Caterpillar.

On Monday, the children were painting pictures of the different fruits from the story. We talked about what colours the different fruits are.

On Tuesday, we made some fantastic caterpillar collages. We practised making our own toast for 'Toast Tuesday' and outside we were exploring heavy and light objects.

For our 'I wonder Wednesday' this week we had a tasting session. We got to taste some of the different foods from our story such as apples, pears, cheese and cupcakes. We talked about which of the foods were healthy and which of the food that were not very healthy.

On Thursday, the children made their own little books of The Very Hungry Caterpillar. They thought about what happens in the story and in which order.

On Friday, the children were practising their number skills. We were representing different numbers with mark making such as drawing 1 apple, 2 pears etc.
