

Week beginning 6th May 2024

This week in F1...

This week in F1 we have continued learning all about farms. The children have been practising the Makaton signs for the different farm animals.

We have also read the story Cuddly Cow. The children have been learning all about the baby farm animals and have matched farm animals to their young.

In Phonics, the children have been learning new letter sounds, practised word counting and syllable counting.

The children have enjoyed using their fine/gross motor skills and making rainbow shapes in our write dance sessions.

We have also been working hard and practising to write our names and learning how to hold our pencils for writing.

We enjoyed Friends round Friday with the F2 children. We had lots of fun playing outside in the sunshine.
