

Week beginning 13th May 2024

# This week in F1...

This week in F1 we have enjoyed reading the story 'The Little Red Hen' and had fun learning the song too.

We have learned all about where bread comes from and how it is made. We drew the different stages starting from planting up until eating the bread.

In Maths, the children have practised counting to 5 using their 5 frames and making the different amounts using their counters. We have also used body percussion to help us count such as counting how many claps, taps etc.

In Literacy, the children have been learning new letter sounds in our Read, Write, Inc session. The children have also practised holding their pencils the correct way to help us write and have practised writing their names.

During Continuous Provision, the children have enjoyed painting hens, drawing windmills, cutting feathers, making puppets and acting out the story in our home corner.
