

Week beginning 3rd June 2024

This week in FI...

This week in FI we have started learning all about the story 'Rumble in the Jungle'.

On Monday, we made our own binoculars in the creative area. We used toilet roll holders, string and masking tape. The children then used their binoculars to go exploring to see what they could find.

On Tuesday, the children practised their cutting skills and cut out long, curly snakes. We then made patterns on our snakes using coloured stickers.

On Wednesday, we had lots of fun for our Disco Day. The children came dressed in their disco clothes and enjoyed lots of dancing and playing party games.

On Thursday, the children were having a go at colour mixing with the paints. We mixed the colours blue and yellow to make green. We painted pictures of jungle leaves and then used mint leaves to add the detail on using the stems.

On Friday, we enjoyed making obstacle courses in our outside area. The children worked together to make it as long as they could.
