

Week beginning 24th June 2024

This week in F1...

This week in F1 we have begun learning all about the story *Commotion in the Ocean*. We have discussed what an ocean is and what lives in the ocean.

On Monday we made some beautiful watery wave paintings using the colours blue, green and white. The colours blended to make different coloured waves. The pictures look lovely up on display in our classroom.

On Tuesday we made our own toast and practised spreading the butter. We also made paper boats and tested them in our outside water tray to see if they float or sink.

On Wednesday we made some delicious Ocean inspired buns. We mixed different coloured icing to create a sea and then used sprinkles for the sand and stuck on a sugar paper fish.

On Thursday we made a paper chain octopus for our *Under the Sea* display. We used orange paper and counted how many tentacles an octopus has so we knew how many to make.

On Friday we enjoyed playing with our F2 friends and choosing our library books.
