

Week beginning 1st July 2024

This week in FI...

This week in FI we have continued learning all about the story Commotion in the Ocean.

On Monday, we had a special treat and we got to see the Year 6 performance of Oliver. The children loved the singing, costumes and the different props- it was amazing!

On Tuesday, the children had fun making paper chain octopuses in our creative area.

On Wednesday, it was our Seaside day. The children had a fantastic time. Despite the weather the children still had so much fun. They enjoyed dipping their toes in the paddling pools, making sandcastles, dressing up as pirates and digging for treasure., making kites, and so much more! An ice-cream van then came to our school, and we all got a delicious ice-cream with all the toppings!

On Thursday, we had our New to FI meeting. We welcomed the new children who will be starting with us in September. The children are excited to have new friends in our class.

On Friday, the children were busy sorting animals. We had to sort the animals into groups. We sorted which animals lived on land and which animals lived on in the sea.
