

Travel and Transport

Year 1 Spring Term

As WRITERS we will be studying the story 'Paddington'. We will be describing the character and looking at the setting. Then we will write our own story based on this. We will then we writing non-chronological reports. As READERS we will be learning alternate ways to make the same sound and applying this in our reading books.

As HISTORIANS we will be looking at different modes of transport through the ages. In this unit, we will be learning how transport has changed over time.

As GEOGRAPHERS we will be learning about the United Kingdom. We will learn to label the four countries on a map and learn about their capital cities. Then we will look at the human and physical features of each.

In COMPUTING— we will be learning about programming and we will be using the BeeBots.

As ARTISTS we will be exploring colour and how this links to emotion. Our final piece will be based on Andy Warhol. As DESIGNERS—we will be investigating, designing and making a moving picture.

In RE—we will be learning about places of worship.

In Personal Development—we will be learning about dreams and goals.

As SCIENTISTS we will learning about materials. We will learn to name different materials and explore what they are used for. We will investigate which material is suitable to make a umbrella for a teddy.

As MATHEMATICIANS—we will be exploring Place Value in numbers up to 50. We will learn about each number, how to find one more and one less and how to use a number line. We will then complete a unit on Addition and Subtraction using numbers up to 20. Finally we will explore different units of measure.

In P.E—we will be improving our ball skills using our hands. In our indoor session, we will be doing dance.
