General

-PE day is on a Monday. Your child can come to school wearing the correct PE kit: trainers, white t-shirt, black shorts and a CPPS PE hoody or plain black/navy hoodie.
 -Jewellery: One pair of single stud earrings is permitted. (The must be removed on PE days.) Children should not wear necklaces or bracelets but can wear a watch.
 -Please ensure that you child's name is written on all pieces of uniform.

Home Reading

Children will continue to use their reading records to record their home reading, with all children aiming to read to an adult three times per week.

All children in years 3 and 4 must bring their reading book and record to school every Friday. This will allow teachers to keep track of who has what book and ensure that books are not lost.

Please remember to sign or initial your child's record after they have read to you.

The three Bs

'Book, bottle & bag': please encourage your child to remember the three Bs in a morning to ensure they are ready for the day's learning!

"We need YOUR help!"

Our school Parent and Teacher Association is always looking for volunteers to help organise and run fundraising events for the school.

If you're interesting in joining our PTA, please contact Mr Morgan
(smorgan@cpickering.het.academy)

Have you seen your child's TT Rock Stars heatmap? By the end of Y4, children should have completed their heatmap and be fluent up to their 12 timetables. We recommend using TTRS 3 times per week for 10 minutes to support their learning of times tables.

Swimming

We have had the dates for Y4's swimming lessons confirmed. Next term, they will swim at Beverley Road baths every afternoon from the 5th-16th May.

Further details will be sent out in due course.

Water Bottles

Please make sure your child brings a water bottle for use in the classroom. Children are using bottles from their packed lunches which are getting misplaced and lost.

Being safe online:

The UK Safer Internet Centre has recently updated its guides for parents and carers to keep children safe when using the internet. You can find lots of tips, advice, guides and resources to help keep your child safe online. These can be found on www.saferinternet.org.uk
