REMEMBER:

To make sure school is informed of any intolerances, allergies or religious requirements

Try to offer a variety of foods, this is important as it exposes your child to new tastes, flavours and offers a good mix of nutrients

If your child does not like the food or drink the first time, don't despair as it can take up to 15 times before a child accepts new tastes

Hot Dinners:

Why not try a school lunch? All our school meals are cooked on the school site and there are lots of options to suit most tastes and all dietary requirements. This could save you £400 a year on average.

All FS2, Year 1 and Year 2 children are entitled to a free hot meal everyday

Currently, a hot meal in KS2 costs £1.50 per day. Although you may be entitled to free school meals.

Please apply on the Hull City Council website
