Goldilocks and the Three Bears

We created our own story maps, helping us to remember the key events and retell the story in the correct order. The children loved drawing characters from the story and showed fantastic concentration

We got into character by taking part in some hot-seating, answering questions as the different characters from the story. We even dressed up as them to help bring the story to life!

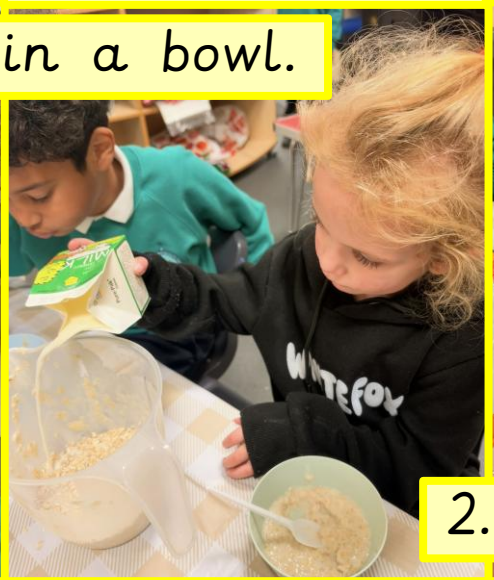

We became detectives and created our very own WANTED posters. We carefully thought about what Goldilocks looked like and used our descriptive language to help us draw accurate pictures of her. We then set off on a hunt around school, asking staff and children if they had seen her. After lots of searching, we finally found her... hiding up in a tree in our F2 garden! What a cheeky girl!

1. Put the oats in a bowl.

2. Put the milk in.

3. Mix it up.

We followed a set of instructions on how to make yummy scrummy porridge, it was jusssst right!

4. Heat it up.

5. Enjoy!
