

ST MICHAEL'S STARS OF THE WEEK!

Nursery:

Maria Savage

Maria only joined Nursery in January but already enjoys taking part in our activities and learning. She enjoys sharing her photographs and listening to our story times. Well done Maria, we are very lucky that you are part of St Michael's school family.

Reception:

Teddy O'Connor

Teddy is a superstar! I am so proud of his engagement with all tasks set and all our live sessions. Teddy is making fantastic progress with his writing and it is so lovely to see these results being achieved at home. Teddy described being grateful for 'things that make our hearts happy'. Well done Teddy, keep it up!

Year 1:

George Brereton

George has attended all live lessons and live stories and has risen to the challenge of learning from home. We are super proud of George's English and Math's learning and his excellent responses in every lesson. Well done George, we are so proud of you!

Year 2:

Aryan Kumar

Aryan has attended all of our live lessons and story times! He has been working really hard to answer lots of questions and get involved and has created some brilliant work, especially in Maths! Well done Aryan! Keep it up!

Year 3:

Keyshia Achaempong

Keyshia always joins her lessons with great enthusiasm. She is really trying to improve her phonics at home and her quick maths strategies have really improved. Keep it up superstar!

Year 4:

Joseph Chesters

Joe has delivered excellent English work. It is clear that he has put a lot of effort into his lessons from home and this shines through his work. Joe has developed his inference and prediction skills. He has also created a fascinating story about a dragon and a knight which was a pleasure to read. Well done Joe, you are setting a great example!

Year 5:

Harley Brookhouse

Harley is trying so hard with every aspect of his home learning. He engages fully with every live lesson and listens very carefully. This means he is producing work of a really good standard. This week I was especially impressed with the planning that he did for his English diary writing. He thoughtfully added feelings, opinions and extra detail to the main events that needed to be included. Well done Harley!

Year 6:

Anna Chesters

Anna is so diligent during live lessons. She contributes some wonderful ideas and always takes care to hand her work on time. This week she has astounded us all with her drawing skills by showing light and dark as part of our Victorian portrait learning. Keep it up Anna, you are setting an excellent example!
