

ST MICHAEL'S STARS OF THE WEEK!

Nursery:

Isaac Shorthouse

Isaac has really enjoyed our Traditional Tales learning and activities. He has been busy building little pigs houses with sticks and weetabix bricks and created his own Bear toast with jam and chocolate spread. He really enjoyed eating it too! Well done Isaac, a super star learner!

Reception:

India Brennan

India is such a polite, independent and caring member of Reception class. India goes out of her way to help her peers and has a very caring nature. She is a perfect role model and a delight to have in the classroom. Well done India, you are a superstar!

Year 1:

Mikey Fox

Mikey has had an amazing week, he has been an absolute superstar as he has been so focused in his learning! He has worked his socks off in Maths and understood both o'clock and half past. Mikey has been a credit to Year One this week. Well done Mikey, I am so proud of you!

Year 2:

Joseph Thomas

Joseph has had such a fab week and he has worked extremely hard. He has written a brilliant letter persuading chocolate companies to stop cutting down the rain-forest and has tried really hard to present his work neatly. Well done Joseph!

Year 3:

Lily-Rose Wright

Lily has 'wowed' us all with her English work this week! She has been really enjoying writing play scripts, and confidently read out and acted out her own script in front of all her peers. Well done Lily!

Year 4:

Ifechukwu Umensofor

Ife has worked really hard to develop his skills in ordering and rounding decimals this week. He was one of only three children to have spotted a different scale being used in a question - well done Ife and keep it up!

Year 5:

Edie-Mai Fox

Edie has worked really hard all week in English and ended up writing an excellent book review of Oranges in No Man's Land by Elizabeth Laird. Edie organised her writing sensibly into three separate paragraphs that covered all the necessary facts, opinions and recommendations needed in a good review. Well done Edie!

Year 6:

Owen Davies

Owen has been really confident this week in all of his lessons. He has often been the first to answer and explain his answers, especially as we have been investigating rectangles with the same area but differing perimeters. Keep up the hard work Owen, you are making super progress!
