

# ST MICHAEL'S STARS OF THE WEEK!

## Nursery:

### **Pepsia Nkankuh**

Pepsia has settled really well into Nursery. She is very sociable and really enjoys all of our learning and activities. Pepsia is a happy, lively character and a delight to us in all Nursery. Well done Pepsia!

## Reception:

### **Adam Ostrowski**

Adam has impressed everybody in Reception with his Maths learning the past few weeks, he has completed some fantastic number bonds to 10. Well done Adam, we are very proud of you keep up the super learning!

## Year 1:

### **Zahra Chmaissani-Henson**

Zahra has had an amazing week, she has worked so hard on her handwriting and has continued to read every evening at home. Well done Zahra, we are so proud of you!

## Year 2:

### **Oliver Lockley**

Oliver has been trying really hard this week to be super independent. He has been enthusiastically completing his learning tasks straight away and has been trying his best. Oliver has written a brilliant diary entry in his faith lesson this week where he tried really hard to use finger spaces and keep his letters sitting on the line. Well done Oliver!

## Year 3:

### **Charlie Walters**

Charlie has been really pushing himself in class to write more in set times, and has produced some amazing work recently, for example in Science, where he thoroughly explained his thoughts in a conclusion for an investigation, using lots of conjunctions to reason and further his ideas. Keep it up superstar!

## Year 4:

### **Adyan Ali**

Adyan has impressed all of us recently with his answers during class discussions, particularly during Faith lessons, where he is able to make parallels and connections between different religions using great examples. His responses are always well thought out and relevant. Keep it up Adyan!

## Year 5:

### **Catherine Andrews**

Catherine always impresses the staff in Year 5 with her willingness to help others. She is never selfish and always puts others before herself. She is kind and considerate and is a very good example to all the other children on how to behave both in class and on the playground.

## Year 6:

### **Lacie Corcoran**

Lacie impressed us all in Year 6 with her suspense story, she used short sentences to build tension and had a great twist at the end. Lacie was so enthusiastic about writing her story that she drafted it at home first! Well done Lacie, an excellent effort.
