

ST MICHAEL'S STARS OF THE WEEK!

17th June 2022

Nursery:

Carter Brown

Carter has been a real superstar in Nursery this week. He has helped his friends to explore and play in our Jungle area and demonstrated his tidy up skills independently. Well done Carter - we are very proud of you.

Reception:

Aaron Isaac Toro Gouveia

Aaron has tried really hard this week to join in all of our carpet discussions. He has really impressed us with his number writing to 20 too! Superstar Aaron what a great week you have had.

Year 1:

Freddie Butler

Freddie has been a superstar this week! He has been working hard to be a good friend to others. Freddie has practically tried hard to do the right thing all week long. Keep up the good work Freddie!

Year 2:

Daniel Hynes

Daniel has been working extremely hard this week, especially in his geography work where he compared the UK and Kenya. He has been pushing himself to work to the best of his ability and stay focused. Keep it up!

Year 3:

Kacey White

Kacey has worked hard with her maths this week exploring 3D shapes and their properties. She can accurately identify different shapes and can recognise the number of faces, edges and vertices on each. Well done Kacey!

Year 4:

Evelyn Plant

Evie has been a true language lover this week! She has used a thesaurus to up-level her vocabulary and used excellent figurative language techniques in her writing to effectively describe a storm scene. Well done!

Year 5:

Thomas Woodman

Tom has worked extremely hard in his own time to devise different digital projects in preparation for St Michael's Computing awards! Keep it going, Tom!

Year 6:

Sienna DiGianvittorio

Sienna has shown great care and compassion during our staycation. She has helped us to welcome our new pupil to St Michael's, well done!
