Acting Head of School: Mrs P Matthews

Executive Head: Mrs S Watson

Dear Parent/Carer

As a school we know that it is vital to encourage and support our students to be prepared for their learning. We need them to make the most of every lesson while they are with us. Many students appear to struggle to arrive at school with the correct equipment. Without this equipment, they simply are not ready or able to learn. If our teachers have to spend time addressing equipment issues at the start of lessons they spend less time teaching our children.

Students should have a pencil case with them in every lesson stocked with 2 black pens, 1 green pen, 2 pencils, eraser, compasses, ruler and protractor. They should also have a scientific calculator.

We want to support students to be prepared and develop good learning habits. We appreciate that parents and carers frequently purchase school equipment, but this is not always easy to do during a busy week. With this in mind we are setting up a Maths Shop to sell the basic equipment that every student will need every day.

The shop will be open in B10 in the maths department before school, at break time, lunchtime and after school. If students need to replace missing, lost or broken equipment they will be able to, at very reasonable prices. Examples of the items and prices are given below.

Pen (either green, black or blue) .....	10p each
Pencil .....	5p each
15cm ruler .....	10p each
Protractor .....	10p each
Eraser .....	5p each
Compasses .....	30p each
Clear pencil case (suitable for exams).....	50p each
Exam pencil case with: 2 black pens, 1 green pen, 2 pencils, eraser, compasses, ruler, protractor –	
.....	£1.30

If this is a successful venture, we will look at extending the range of equipment that is stocked. We hope that you will support us in making sure that your children have everything that they need to be successful in school. If you have any ideas for equipment that we could sell, please let us know.

Thank you as always for your support.

Yours faithfully

E Hutchinson

MRS E HUTCHINSON  
Head of Maths
