## A Message from Mrs Matthews

Not much from me today as I have a rather lovely story to tell, that was passed on to me by our local PCSO Simon Bramley. Two of our Year 11 boys, Owen and Callum, were making their way through the town on their way to the Sports Centre. A PCSO alerted the boys to the news that a child was missing. The boys were asked to keep their eyes open. Nearing Wellington Park the boys spotted a child and were quite confident it was the one who was missing from the description given to them. Callum spoke to and distracted the child, whilst Owen informed the police of their whereabouts. When the police arrived to collect the missing child, the child attempted to run away and Owen held on to the child and allowed the police to collect and safely deal with the individual. PCSO Bramley called them local heroes and I would like to echo his thoughts and congratulate them on their actions. Well done to both of you.

## Road Safety

In response to student and parent feedback about our students being road safe, we have taken some year 7 students out to support the Speed Safety Checks outside of school. Students learnt the purpose of the checks, how they work and the best way to keep themselves, and others, safe. Thank you to PCSO Bramley and the traffic police for their support.

## Sporting News!

It's been a great week of sport for Court Fields students. A number of fixtures were played with many students ending up winning their matches.

A great U14s County Cup football match was played by the boys against Crispin School. The final score was Court Fields 6 Crispin 0. The next game will be a National Cup game v Torquay Grammar. Well done to Man of the Match Jon W. The boys also played some sublime football, defeating a strong Castle School side in the final with a 2-0 win. The boys will now represent Taunton and District Schools at the County finals on Wednesday 4th December.

A great under 14s Girls Football match was also played against Chilton Trinity. The final score was Court Fields 12 Chilton Trinity 0. Well done girls, especially Kenzie who was Woman of the Match. Onto the quarter finals!

Court Fields boys played another great football match against Crispin School winning 12-2. It was a solid victory with some scintillating football that sees us through to the last 16. Well done Oliver S who was Man of the Match.

Last but not least, Court Fields boys had a fantastic result in the Badminton going through to the County Finals to represent Taunton and District Schools. Well done to Kylan,

Ned, Kai and Ashton!

## Parent Evening dates, Years 8 to 11

The dates for Parents Evenings have all now been added to the diary, information on when you can book for them will be added to the parent bulletin when we have it. The dates are as follows:

### **Parent/Community Forum – December**

We will hold our Parent/Community Forum for parents, on Tuesday 17<sup>th</sup> December, starting at 5.30pm. Members of the community, such as police and other One Team members are also invited to attend from 6.15pm. We anticipate the evening will end at 7pm. Please notify the school office if you will be attending so that we can ensure enough refreshments.

### **SEND Space**

An event is taking place on Wednesday 11<sup>th</sup> December at 1pm at Wellington Youth Centre for Parents and Carers of children with Disabilities and Special Educational Needs.

*SEND Space* will be a drop-in group, run by experienced Parents and Professionals and supported by Court fields Pre-school, and everyone will be welcome to come along to discuss or share experiences as well as knowledge, strategies and resources, in a comfortable and friendly environment. There will be activities for children as well as refreshments. There will be a cost of £2 per attendee just to cover hosting the event.

### **Revision Sessions for PPE's**

For the next month we will be running a number of revision sessions to help your child achieve their very best in their forthcoming PPEs. We are also offering several NEA (Coursework) catch up sessions to make sure your child is supported to complete their NEA on time. Below is a timetable for these sessions and all students are welcome to attend. Please can you discuss the timetable and planned sessions with your child and encourage them to attend. Your child will know which options they study and therefore can explain options A-C. Mr Williams has also visited all Year 11 tutors this morning and explained, however if you have any further questions regarding the revision / coursework sessions please do not hesitate to contact Mr Dudley or Mr Williams.
