## Parent Weekly 'What's Happening' Bulletin

### Message from Mrs Matthews

Friday 9th July 2021

Well, it's been an exciting week with the football semi-final, and a tiring one with that late night!! We also ran our Covid-adapted Transition programme with a half day for students in school and a Parent Meeting, all in primary bubbles! Luckily we've still got lots of energy to cheer England on for Sunday evening!

Some schools with young children may be having a slightly later start on Monday. However as we have older children we will start at normal time. If England do bring it home, we will be having an additional England football/sports kit themed non-uniform day on Monday 12th July to allow us all to celebrate. Donation to take part is £1. Proceeds split between Heads Together, the Bobby Moore Cancer Fund and Head for Change to support dementia victims in sport. GO ENGLAND!!!

Reminder about Sports Day on 13th July - in order to fit in our programme, the Sports Day will run until 3.15pm.

Thanks for all your support. Please be Covid safe, there's an increasing number of cases locally. Take care, Mrs Matthews

### Industrial Cadets Success

Creating pathways to unlock potential, **Industrial Cadets** was created so young people can participate in accredited experiences to develop their skills, gain an insight into industry and become better informed about careers. Our small team of five dedicated students from Year 8 & 9 graduated last Friday from their program. They have been working on a project, which they delivered as a presentation, then faced an interview about their solution and research. Friday was the culmination of all their hard work and it was so nice to see their endeavours recognised. There were over 100 teams across the UK and six awards, and we are proud to announce that our team won recognition in the **Most Innovative Award**, for their ideas of how we could adapt our buildings to cope with flooding as a result of climate change. What an achievement, congratulations!

### Important Message for Year 9 GCSE Art Students!

On Thursday 15th July there will be an important and essential meeting for all Year 9 GCSE Art and Photography option students in C8 at break time. All must attend promptly at 11.15am. Please do make sure your child attends as some essential information will be given.

### Royal Mail Stamp Competition

We have checked with Royal Mail regarding the results/selections for the stamp competition our students entered earlier in the year. We will not know anything until the 29th September, but will keep everybody updated as soon as we know if any of our fabulous designs made it to the final 8, for selection by her Majesty the Queen!

## Amazing Apprenticeships

The Parents' and Carers' Pack from Amazing Apprenticeships is a must read. Containing articles on getting work ready, T Levels in Construction, apprenticeships in technology, Post-16 support for students with SEND and much more! Download [here](#).

## Cricket Competition

We had a fantastic day at Weston Super Mare Cricket Club for this year's Girls 'Chance to Shine' competition earlier this week. Both the Under 13s and Under 15s teams played tremendously. Both teams won 2 and lost 2 (very narrowly), finishing joint 2nd and 3rd overall.

A big well done to all the girls who represented the school so proudly. You are a credit to Court Fields.

Under 13s Player(s) of The Tournament:  
Milly H and Arabella C

Under 15s Player(s) of The Tournament:  
Emma P and Lauren H

## Forward Diary Dates

13th July - Sports Day, finishing at 3.15pm

23rd July - Last day of term
