Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 16th July 2021

Thank you again for your support over the last week. It's been a difficult week as we've had to respond to a small number of potential Covid cases, however, several of those have returned negative PCR tests, so we have just 5 positive cases, 3 of which will have finished self-isolation ready for return on Monday with their close contacts. This is testament to the robustness of our systems and protective planning, as well as the hard work of our students, staff and families to keep everyone safe. Thank you again.

We have also received our letter from Ofsted, following our recent Monitoring Visit. I have attached it with this Bulletin. It clearly evidences our improvement journey, and we should all be very proud.

Take care and enjoy the sun this weekend!

is your child 5-19 and are you looking for confidential help and support?

A safe and easy way to contact your School Nursing Team

Just send a text or scan me
07480 635 515

Disclaimer: This is not an emergency service. It operates Monday to Friday from 9am to 5pm and is only available by using a UK mobile number. Your messages are stored on our secure system and can be seen by the School Nursing Team who run our ChatHealth Service. Although this is a confidential service, in the event of an safeguarding issue the School Nurse has a duty of care to act on this and may escalate the concern.

Improving LIVES

Got a concern?

If you're 11-19

it only takes one text to start making a difference

You'll get confidential advice from your School Nursing Team and you don't have to give your name if you don't want to.

Just send a text or scan me
07480 635 516

Improving LIVES

Art Competition Winners

Our Art Department recently ran a competition to complete an artist research page using everything learnt about them. Here are our two winning pieces, by Charlotte T in Year 9 and Bruce C in Year 8. Both will win a full set of 18 pigment marker pens from Windsor and Newton. Huge well done to both of them! Those in second place got 10 achievement points, and runners up received 5. Well done to everyone who took part!

Vaccine Catch-up Programme

On Monday 19th July the Somerset SAINT team will be catching up with the few Year 10 students who missed the previous Meningitis ACWY & Diphtheria, Tetanus and Polio vaccine. The majority of Year 10 students will have already had this. If you have any queries, please email them using somersetSAINT@somersetft.nhs.uk or call them on **0300 323 0032**.

Art Trip to Knightshayes

We had a fabulous Year 10 art and photography trip to Knightshayes at the start of the week. Artists were working from direct observation and the photographers were trying to capture themes like isolation in nature. Some stunning images and drawings to follow later, but here's some of them enjoying the day.

Year 10

Career Interviews with Year 10s are in full swing with all planned to be completed by mid-September. In the meantime, all students will be coming home with copies of the Bridgwater & Taunton College (BTC) and Richard Huish prospectuses, having been asked to take a look at the amazing range of courses that are on offer. Exeter College and Petroc prospectuses will also be available at the beginning of next term and will support the assemblies that all our local colleges will be invited to attend. Hope you also enjoy taking a look!

Don't forget there are also plenty of courses for adults too, many of which are free! To find out more see www.btc.ac.uk/find-a-course/adult-learning/ and www.huish.ac.uk/all-courses/?sft_categories=adult-learning.apprenticeships.

Mathematician of the Term.

We're pleased to announce that our Mathematicians of the Summer term are:

Year 7: Willow B-C and Zak M

Year 8: Anthony G and Julia G

Year 9: India Reed and Patryk W

Year 10: Madi B and Jeremiah P

Forward Diary Dates

23rd July - Last day of term, with **early finish at 12.45pm**
