Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 11th June 2021

It's certainly been exciting to have a week of sunny weather! It certainly lifts the spirits, along with our return this week to students moving around the site, with teachers back in their own classrooms. The sense of relief from staff and students was palpable and it's been lovely for our Year 7 students to finally visit all the blocks in the school!!

We also had a visit from the Army Engagement Team, which was fantastic for our students, helping to develop their confidence and teamwork.

We've also launch our Talent Hunt for this year's Madagascar's Got Talent event. Auditions are next Monday & Tuesday. I'm not sure the school's ready for another SLT performance after the ABBA number from 2 years ago, but if you've got any suggestions of what we could perform, let us know!!!

Thanks to our talented Year 8s and the Art Department for another batch of fantastic art. We really are developing amazing talent in our school.

Thank you as always for your support. Please ensure that your child keeps testing twice weekly. Have a lovely weekend and take care. Mrs Matthews

Vaccinations next week

The Somerset SAINT vaccination team are due to be coming into school next week (14th/ 15th/ 16th June) to carry out the Year 9 & 10 Meningitis ACWY & Diphtheria, Tetanus and Polio vaccinations along with the Year 9 HPV 1st dose for those Year 9 students that missed their first dose in Year 8.

Please check your emails, including the junk box, for an email from us containing the link to the consent form (if you have already consented then you will not have received an email.)

Please direct any questions regarding the vaccinations to the SAINT team.

They can be contacted by email at somersetSAINT@somersetft.nhs.uk or by calling [0300 323 0032](tel:03003230032).

Careers News

A group of our Year 10 students virtually met with Andrew Hochhauser QC on Tuesday morning, to find out more about the legal profession and the different routes and roles within that. The talk was well received, and the students heard lots about Andrew's life and why he became a barrister.

We have also been invited to visit him at his chambers in London and sit in on a court in session. This is a fantastic opportunity for our students, and I am really looking forward to this trip. If you think that you could offer a talk about your profession, please do get in touch!

Thanks, Mrs Hutchinson

⇒ Key Stage 3 clubs will finish at 4.10pm

⇒ Key Stage 4 clubs will finish at 4:25pm

Year 10 Virtual Work Experience

Year 10s have been busy securing themselves places for work experience either in the real world or using the opportunities available to them online. This is a great chance for them to try out a job that they are interested in or find out more about several different areas of work. This will run from the 5th to the 9th July this year. If students have not yet found a placement we can no longer accept real world placements, but students can still apply for virtual work experience online with our partner 'Speakers for Schools'. To do this they will need to go to <https://www.s4snextgen.org/> and sign up as a young person.

If there is nothing specific that interests them on that platform, or as a face-to-face opportunity, there will be virtual work experience provided by the school, to be completed at home with assignments to hand in each day to allow them to experience various different aspects of working life.

Prom outfits

If you would like more details about acquiring a pre-loved prom dress or suit for the upcoming Year 11 prom, please get in touch with us for more details.

Forward diary dates

23rd June - Sports-themed non uniform day for National School Sport Week
