

Court Fields School

Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 10th September 2021

It's great to be back!! No matter how lovely the holidays are, it's always great to have our students back at school.

This week we've undertaken a full round of Covid Testing in school, and started on Test 2. We've also had our Year 7s in for the 2 Transition Days that they missed due to Covid in July. In addition to that we've completed staff training on supporting our SEN students, developing our curriculum and assessment, safeguarding and our professional development programme for staff: all these sessions will help to further improve our school by providing high quality education and pastoral support for all our students, as well as ensuring that we invest in our superb staff team. Finally, we've had all our students back in lessons, and having a welcome back assembly with Mrs Westwood and I, underlining our expectations and outlining the support on offer to ensure our students can be the very best they can be.

Thank you for your support with the organisation of the return to school, and with uniform expectations. There are, of course, some uniform issues for a few students to sort, but overall the standard was excellent, and demonstrated what a fantastic school we have with the support of an amazing community.

Our Year 7s seem to have settled really well and have said they're loving secondary school! We will be giving them their ClassCharts logins over the next week in IT lessons. Parents will be emailed their ClassCharts logins over the coming week via their contact email.

We have our Meet the Tutor Evening calendared for next week. Due to the ongoing risks related to Covid and large gatherings, we will run this as a virtual event across a longer period of time. Tutors will be calling home over the few weeks (by 28th September) so that they can discuss with you the start of term, celebrate successes and talk about any issues or concerns/next steps for this Academic Year.

The 22nd September is our Open Evening for parents and children in Years 5 & 6. We also have Open Tours each morning from 27th September to 1st October. Please do promote this to our local families—it's a great opportunity to visit the school and meet our staff and students.

Once again, thanks for your support. Have a lovely weekend. Mrs Matthews

Clubs for this term
