

## Simonside Primary School: School PE and Sports Premium 2022-2023 - Impact Summary

Total amount received for school sports - £46,271 including £20,404 carry over from previous.

### **Key indicator 1: The engagement of all pupils in regular physical activity – To give opportunities for all pupils to engage in regular physical activity of at least 60 minutes within the school day.**

To increase the amount of daily average time that pupils spend taking part in physical activity through the daily mile or other activities.

- All children achieve a daily average of 30 mins per day through playtime and lunchtimes. New playtime equipment allows children to be more active through lunchtimes.
- Lunchtime clubs are more prominent this year, although some are more successful than others in terms of uptake of children taking part.
- More children are taking part in physical activity outside of school with club allocation.
- Engagement in the football club increased on last year's uptake with a lot higher percentages of girls participating allowing us to form a boys and girls team.
- Teachers using TeachActive to support English and Maths allowing children to be more active within lessons.
- New links made with community sports and coaching through SSFC with regular coaching sessions each week through clubs.
- National School Sports Week participation from the whole school allowing all year groups to participate in inter-school competitions across the week.
- Introduction of cricket through Durham Cricket club on a regular basis through year group sessions and after school club.

	<ul style="list-style-type: none"> <li>● Focus on target year groups, Y2 and Y3, to encourage girls participation in cricket through outside coaches leading to opportunities for the Chance to Shine programme.</li> <li>● SSOC enlisted although this has not been as successful as expected - target for next year with lower year group chosen.</li> </ul>
--	--

<p><b><u>Key indicator 2: The profile of P.E. and sport being raised across the school as a tool for whole school improvement.</u></b></p>	
<p>To achieve Gold Sports Mark in 2022/23.</p>	<p>Gold Sports Mark achieved.</p>
<p>To continue to support the SSOC to promote PESSPA.</p>	<p>SSOC (School Sports Organising Crew) made up of Year 6 children established within school. The School Sport Organising Crew (SSOC) is a Primary School Leadership Academy Programme. It is an exciting opportunity for students to develop and display key leadership and interpersonal skills, whilst also making a significant impact to the engagement and organisation of sport within our School. The SSOC have also helped organise Sports Day, intra-school events. It is hoped that the SSOC can be more involved with the promotion of sports next academic year and help to deliver regular lunchtime activities.</p>
<p>To organise fundraising ideas linked to PE and for PE spending.</p>	<p>Fundraising was not evident this year due to the current financial climate for our parents.</p>
<p>To ensure the majority of children reach the 25m marker for swimming by the end of Year 6.</p>	<p>Not all children achieved 25m by the end of Year 6. No slots were available for Booster sessions but timetabling next year will allow more focus on Year 6 to reach the standard of swimming. Allocation of Y6 swimming slots will be looked at next year to ensure more time is given to Y6 (focused on non-swimmers).</p>

<p>To establish a tracker system for involvement in sports both in and out of school focusing on disadvantaged pupils and their access to opportunities.</p>	<p>Disadvantaged pupils' access to sporting opportunities in school have equitable access in curriculum time. Access to sports activities after school are tracked termly and it is noted that an equitable percentage of disadvantaged pupils access these opportunities. Disadvantaged families are supported financially, for example, The annual Outdoor Activities Residential to Thurston OEA Centre is subsidised by the school meaning cost is reduced. Target year groups this year (Y2 and Y3) have been offered additional sports opportunities in cricket through a full term. In the Summer, pupil premium children have been given the opportunity to attend Thurston for 3 days as part of the Holiday Activities and Food programme (HAF).</p>
<p>To look for other opportunities provided by STSSN to take part in competitive sports.</p>	<p>A calendar of events was delivered by STSSN with increased participation allowing each year group to take part in an event within each term. Opportunities assessed for smaller group focus where children took part in events based on needs.</p>

<p><b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b></p>	
<p>To develop a robust assessment of PE ensuring the progress of all pupils in all elements of sport.</p>	<ul style="list-style-type: none"> <li>● Assessment and tracking/reporting system established by PE lead. CPD rolled out and now all staff are using the frameworks for different sports to track 3 core groups (WTS, EXS and GD). Children are assessed across each unit of PE now rather than over a term.</li> <li>● Assessment system has been successful and this will continue to be rolled forward next year and will include external coaches using the assessment sheets alongside the use of core assessment tasks within units of PE.</li> <li>● From next year, children will be asked to self-reflect on their learning once a term using a PE passport tool.</li> </ul>
<p>CPD opportunities given to staff to help with their knowledge of physical education and helping with the teaching and learning of P.E across school.</p>	<ul style="list-style-type: none"> <li>● Sports Lead attended all conferences and termly meetings which took part to identify new initiatives and sports opportunities - any changes were reported back to staff within staff meetings.</li> <li>● Assessment CPD for all staff Sept 2022 - recap of expectations within assessments.</li> <li>● Whole school CPD via cricket coach who came in to deliver sessions to all</li> </ul>

	<p>year groups</p> <ul style="list-style-type: none"> <li>• Team teaching with external coaches throughout the year: rugby, football, multi-skills, dodgeball, cricket.</li> </ul>
--	--

<b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>	
To continue to provide a range of activities through specialist coaching staff.	<p>Lots of opportunities for sports coaching last year through the following:</p> <ul style="list-style-type: none"> <li>• South Tyneside Primary School Sport Premium SLA (Bryan Levey/Liam Malcolm) – affiliated</li> <li>• Various sports coaching across the school and inter school festivals within school year groups - Durham Cricket Club, SSFC.</li> <li>• Links maintained with other providers e.g. Durham Cricket Club, South Shields Football Club, Sunderland Association Football Club.</li> </ul>
To identify other opportunities to engage children in a range of activities in curriculum time.	<p>Classes took part in intra sports competitions as part of the end of unit opportunities and National School Sports Week. Opportunities provided for Y5/6 to take part in events at SSFC as part activities week.</p> <p>Our school continued to offer a range of sporting opportunities in lunchtime school clubs throughout the year giving children the opportunity to try new sports/activities (boxercise).</p> <p>Close links with SSFC who provided opportunities for different sport trials.</p> <p>Whole School use of TeachActive as part of a trial programme - active learning once a week within Maths and English.</p>
To identify other opportunities to engage children in a range of activities in out of school time.	<p>School provides a lot of 'out of school' opportunities for students: multi-skills, dance, football, cricket, dodgeball, gymnastics.</p> <p>Parents are signposted to clubs taking place in the local area after school and during holidays.</p> <p>This year pupil premium children have been given the opportunity to attend a 3 day Thurston visit as part of the Holiday Activities and Food programme (HAF).</p>

**Key indicator 5: Increased participation in competitive sport**

Look for opportunities for children to take part in competitions across the year.

School entered several inter-school competitions across the year. Some planned events were cancelled and clashes in timetables meant that attendance was not possible. All competitions were within morning sessions to enable every year group to attend an event at least once a term. Both boys and girls football teams entered into the league this year. Girls teams missed a few rounds but still attended the Wildcats celebration event - next year the girls team will be more prominent with different coaches allowing for competition events to be attended. New kit has been secured for the girls football team.

Organise intra competitions against year groups.

Separate KS1 and KS2 sports days organised with support from Year 6 and SSOC. The whole of the school was involved in National School Sports Week allowing year groups to participate in competitions across the week.

To establish a girls' and boys' football team

A girls' football team was established and we entered for the Girls' CVL. The girls also attended a Wildcats football event at Gateshead Powerleague at the end of the year. Boys entered the Snowball League playing teams from throughout the borough and won their league. They also attended the Bart Ripon Cup in the summer term. We intend to hold trials early in the autumn term to establish new girls and boys football teams for 2023-24 with extra coaching provided from SSFC.
