Decision making powers across all areas of the work of the trust shown above, to the extent as delegated by the Scheme of Delegation. This is dependent on the 'status' of the school as determined by sponsorship or trust banding. All LGBs have a minimum of 2 parent governors on them. A Chairs' Forum meet termly to discuss issues in schools and the work of the trust. All LGBs have the opportunity to raise queries with trustees through standard agenda items on both LGB and Trust Board agendas.
