Welcome to NYES Catering

Our service has been **operational for over 40 years**, showing that we are not only a knowledgeable service, but that we are continuously evolving and changing with the up-to-date trends and requirements – whilst always continuing with our commitment to great quality and nutritionally balanced food.

Our menus are fully compliant to the School Food Standards and we are accredited by the Soil Association Food for Life Bronze Award; meaning we only use free-range eggs, and fish that is caught sustainably.

We also promote **local** and **fresh**; with **75% of our meals being cooked daily on-site**, and with ingredients from our 3 main suppliers located within Yorkshire to reduce our carbon footprint, and promote local businesses.

All the next term's promotions and competitions will be on the back of your menu/available to download online via your school's website.

Plus there will be a tasty recipe to try at home too!

Did you know that if your child is in Reception, Year One or Year Two they are automatically entitled to a free school meal?

What a great opportunity to try the delicious food on offer!
