On Friday 21st April 2017 was the Annual South Tyneside Staff Awards which took place at Temple Park.

Stanhope Primary School are proud to announce that one of our teachers was nominated for Teacher of the Year 2017 and with great achievement went on to win the award!

A huge congratulations to Mr Adam Rogers who is currently the Year 5 Teacher and Deputy Head here at Stanhope Primary School.

From Monday 3rd March 2017 to Friday 7th March 2017 the staff and children at Stanhope Primary School took part in '5 A Day Week'. The week involved children tasting a range of different fruit and vegetables to encourage children to eat healthy. The week was a massive success, with thanks to our school cook, staff and the year 6 helpers on the fruit and vegetable stall.

We hope to have another successful '5 A Day Week' next year!

Throughout this Academic Year, Mr Rogers and the School Council have been taking part in various activities and exercises to show that Stanhope Primary School is a 'Healthy School'. There are now several things that take place in school to promote healthy eating, such as a Healthy Tuck Shop three times a week, information leaflets to advise the most nutritional items to put in your child's packed lunch box and of course a balanced school meal provided by our school cook.

On Thursday 22nd June 2017 the School Council attended the Town Hall Healthy School Awards Ceremony. The children enjoyed a buffet lunch and were proud to collect Stanhope Primary School's award.

SPORT

Two teams from Stanhope qualified for the County Summer School Games Finals at Silksworth Sports Complex. We had a team in the Y3/4 Tennis and the Y3/4 Athletics competitions. It was a joy to see all of our pupils working so hard, enjoying the competition and being wonderful sports.

At the beginning of the day, the children listened to an inspirational speech by Team GB Olympian Peter Bakare. He spoke about his great journey to becoming an Olympian, after overcoming serious injury problems. Peter encouraged the children to 'aim high and reach higher'.

In the Y3/4 Athletics, The team finished a magnificent 6th. A great result for their first year taking part in any competitive sports. A superb platform to build upon going into 2017-18 season.

Well done to all eighteen of our athletes and tennis players; who were all a credit to our school displaying the Olympic values. It was a brilliant end to the

A final word from Mr A.Rogers, Deputy Head teacher:

Wow! What a busy term we had to end what has been a great year at Stanhope. We have continued to thrive in our sporting successes and reached County Finals too—an excellent achievement ! It has been wonderful seeing the pupils grow and develop into determined individuals in all areas of school life.

There has been so many great things happening since Easter. Earlier this term, the children participated in a well received careers week where they learnt about many different professions, raising aspirations for their futures.

Our schools' efforts with charities has been second to none, much praise and thanks must go to the wider community helping raise staggering amounts—particularly for the NSPCC!

It has been a fabulous year, roll on next year's challenges and successes. But first...a holiday!
