When We Were Together

It seems like a very long time ago since we were together as a whole school family. These are just some of the fun things we did together.

We all learned how to relax by doing Yoga breathing and how to be kind to each other during Friendship Week.

Our Christmas productions were full of joy and happiness!

THE HAPPY NEWS

Happy Messages

'To all of Year 2,

It has been a very different end to the year that we had expected. It has been lovely see the work you have produced during the school closure and we have looked forward to our phone calls with you. It was amazing to see some of your smiley faces when you collected your reports. You have all grown so much! Good Luck in Year 3 and we will be definitely coming to visit you.'

Love Miss Haygarth and Miss Mensforth x

'To Year 5 and Year 3.

Thank you for making my time with you both enjoyable and hilariously funny at times. I have thoroughly enjoyed being one of your teachers this year and I wish you all this success in the world for next year. Now go blossom and have fun over the summer!'

See you all in September lots of love, Mrs Harvey.

'Hi everyone, Wow! What an uncertain time it's been with this global pandemic but we did it! We can finally see some form of normality slowly returning. It's been strange not seeing all of your smiley faces around school. We have really missed you. School just isn't the same without your voices, laughter and footsteps. It has, however, been lovely to engage with lots of you through the google classroom. I have thoroughly enjoyed reading the nice things you've been doing in your household or helping the local community and people around us. We are so proud of each and every one of you. You are little stars- Well done! We can't wait to see you all back ready to learn in the new school year. Not long to go now. Make sure you look after one another and your families during the summer holidays, have lots of socially distanced fun and we can't wait to hear all about it when we return.' See you soon,

Mrs Henderson & Mrs Dunn xx

Hello everyone, I would just like to say thank you to the Reception class and their families for working so hard throughout this funny time. It has been strange not seeing you and we have missed you lots. I am so proud of how far you have come in our class and know you will be fabulous in Year 1. It will be strange coming back and that is expected but we will take very good care of you all. I can't wait to pop in and say hello. So I will leave you with a little something to think about:

"You are braver than you believe, stronger than you seem and smarter than you think. But the most important thing is, even if we are apart, we'll always be with you."

Mrs Barker x

'Year 1, we have all missed being together this term. We all hope to see you all in the new school year. We hope you have lots of fun in the summer holidays.'

Love from Mrs Wann, Mrs Hasan and Miss Duncan xx

'Hi everyone - hope you all have a great summer. I can't wait to see you all back in September (apart from year 6 - good luck to you all in your new schools). I'll be busy over the holidays with a new addition to the Cooper house. This is Woody, our new puppy.'

Love Mrs Cooper

'We are proud of the Y6 Bubbles and the way they have conducted themselves in school. We are am wishing them the very best of luck for the future. Shine like the stars that you are!!'
Mr Rogers, Mrs Craig, Mrs Wardle and Mrs Ainsley.

'Hello to all of our lovely Stanhope Pupils!

Hope you are all happy, healthy and safe after the last few months of uncertainty we have had. It has been wonderful to see pupils gradually coming back to school and filling our classes again as we have missed you all so much! We cannot wait until September when we can have our Stanhope family back together again! Have a wonderful, sunny summer holiday until then! We will welcome you back raring to go in September!! Sending love to you all. Stay safe.'
Mrs Boardman x

Year 3

At the end of this very different school year we would like to say well done to everyone for getting through it!
We are very proud of you and, even though our time in the year 3 classroom came to quite an abrupt end, Mrs Cooper and I loved teaching you all.
We hope you have a great Summer - continue to stay safe and be good!

A Special Message from Our Head Teacher

Hello children, parents and carers,
Well this has been a very strange year and I cannot believe we have not seen so many of your faces for so long. But I am sure it won't be long before life is back to normality and school will soon feel like it used to.

I hope you will be able to enjoy your summer break without the worry that we have all been feeling for such a long time. Please be careful when you are out wherever you are, before you know it we will all be back as part of our Stanhope Primary School family.

To our Year 6, who are leaving us and moving to new exciting stages of your educational journey, a special message to you all. Your end to your time here wasn't supposed to finish like it has but that still should not take away the happy memories you have shared here. All the very best to you all, I wish you all success and happiness in your new schools.

Love and best wishes
Mrs L A Martin
