

## Early Years Long Term Plans

In the Early Years, we write medium term plans using the EYFS based on the rhythm of the year, the seasons, special events and themes that offer experiences in all seven areas of the curriculum. We also follow the children's interests where appropriate. Themes such as transporting, connections, treasure maps, searching and finding have been sparked through children's play. These plans then inform our short-term weekly planning, alongside our observations, which remains flexible for unplanned circumstances or children's responses.

<b>Autumn Term</b>	Settling in and getting to know you Autumn seasonal changes Autumn colours Woodland animals, hibernation and habitats Natural materials Harvest Halloween Diwali Bonfire Night Celebrating Christmas Light and darkness Shadows and sparkles	Phonics:FS2 Introduce Set 1 RWI- initial, middle and end sounds- hearing and identifying.
