

Stanhope Primary School

Progression of Knowledge and Skills in Writing

Subject		Writing					
		Intent At Stanhope Primary School, we want our children to communicate effectively through writing. This involves the children writing clearly and accurately whilst applying their knowledge and understanding of a range of text types. Children in school are encouraged to write for a variety of purposes, audiences and contexts within English lessons. Pupils at Stanhope are exposed to a wide vocabulary not only in English lessons but across our entire curriculum. We want all children to have a solid understanding of grammar and spelling and encourage children to apply their knowledge through all writing activities planned and taught.
