There are dogs

And, just like us,

All dogs are different.

We need to be kind around dogs.

Everywhere!

# Teddy

I am really looking forward to working with you all...  
but we MUST follow the rules to 'Be safe and kind'.

# Teddy - Rules

## Be calm

No loud noises, running or chasing games, which can worry a dog.

## Give a dog space

Dogs don't like hugs and kisses, try cuddling a teddy bear instead.

## Play fairly

Never ever tease a dog with toys, games or food.

# Teddy - Rules

## Leave a dog alone

Don't disturb a dog when resting or eating. Being disturbed can worry them.

## Keep your hands away

Don't put your hands near a dog's eyes, mouth or ears. No pulling or poking – it can hurt them.

## Remember...

Dogs have feelings and needs and it's important that we respect them and behave kindly and safely around them.

# Teddy - How to say "Hello"

Do not go to Teddy, only acknowledge if he approaches you

**1** Approach slowly, calmly and quietly from the side of the dog.

Stay further than arm's reach away from the dog.

**2** Ask the owner if it is okay to stroke their dog. Wait for the owner to respond.

**If the owner says 'no':**

Move away calmly and quietly.

**If the owner says 'yes':**

Stand at the side of the dog calmly and quietly.

Keep your arms by your sides.

Say 'hello' quietly.

Wait for the dog to approach you.

**3** **If the dog does not approach you:**

Move away calmly and quietly.

**If the dog approaches you (and remains there):**

Stay at the dog's side.

Stroke them along their side or shoulder.

Stroke slowly and gently in the direction of their fur.

**4** **If the dog moves away at any point:**

Move away calmly and quietly.

# Teddy - Saying hello to a dog

**1** Ask your adult.

Look! There's Jan with Sam. Can I stroke him?

OK, but first you need to ask Jan.

**2** Ask the dog's owner.

Hi Jan. Please can I stroke Sam?

Let's see if Sam wants a stroke. If he does he will come and sniff you.

# Teddy - Saying hello to a dog

3

Stand still and let the dog sniff you.

4

Stroke the dog gently on the side. Remember to use kind hands.

Thank you,  
Sam.

# Teddy - All dogs like sniffing

Dogs learn about  
the world by  
sniffing.

If a dog sniffs you,  
just stand still.

# Teddy - All dogs like eating

Going near dogs  
when they are  
eating can make  
them feel worried.

If a dog is eating,  
leave them alone.

# Teddy - People like hugs and kisses

Hugs and kisses  
are for people  
we love (and  
cuddly toys!)

# Teddy - Dogs prefer a gentle stroke

If you stroke  
a dog, remember  
to use  
kind hands.

# Can you remember the Be safe, Be kind rules?

**If a dog is sleeping,  
leave them alone.**

**If you want to  
stroke a dog,  
you need to ask.**

**Stay quiet  
around dogs.**

**If a dog takes  
your toy, tell  
an adult.**

# Can you remember the Be safe, Be kind rules?

**If you stroke a dog,  
remember to use  
kind hands.**

**If a dog sniffs you,  
just stand still.**

**If a dog is eating,  
leave them alone.**

**Everybody should use the Be safe, Be kind rules.**

**That means adults too!**
