Hello Year 2,

We are all really excited for you to start, this brand new year at school. We hope that you have had a fantastic summer and you are all ready to start your learning journey once again.

We know that you may be feeling nervous and worried about starting a new year, this is totally normal. We are here to support you to be able to achieve your goals and be successful.

If you have any questions about the year ahead, please speak to any one of us and we will help put your mind at ease.

**The Y2 Team welcome  
you back into your new  
class!**

Attendance is also key to your child's success, time off is quality learning time lost and time that cannot be made up. Please ensure children are in school every day. It is vital that you support your child as much as possible throughout the year. Whether that be with homework, using the apps at home, reading with them and even chatting to them about their learning – it will make a difference.

Thank you for your continued support.

## Online Learning

Please use the **Myon App** from **Accelerated Reader**, **Letter Join** & **Times Tables Rockstars App** regularly at home.

Work for all Y2 pupils will be set on each App for the entire school year, this means that they can work through it at their own pace.

In Y2 we award monthly prizes for those pupils who impress us most on each of the Apps.

All passwords and usernames will be sent out to you week commencing 12<sup>th</sup> September.

## Home Reading

Please listen to your child read their school reading book as often as you can, every day is ideal, even if it is just for 10 minutes. **Our expectation is that their reading book will be changed every week. They will receive a levelled book and reading for pleasure book.**

As soon as your child has finished their book, return it to school in exchange for a new book.

## General Information

**Homework:** Throughout the year, your child will receive a combination of homework developing their knowledge and skills in Reading, Spelling, Maths and Grammar. Your child will have a homework folder that they will bring home on a Friday and must be returned with the completed work on a Tuesday at the latest.

## SATs Information

The SATs are expected to take place on the week beginning **Monday 15<sup>th</sup> May 2023**. We ask parents not to remove children from school before the SATs as this time is spent helping the children prepare and revise so they feel they are ready to give their best.

In the forthcoming months we will be hosting a SATs information meeting in the school hall, please make every effort to attend.

From January, children will be receiving homework related to their SATs preparation in class.
